Profile

I am a fourth year student in the Grande Ecole program at HETIC, in Paris, where we are trained in **web, design and marketing**.
I spent all my schooling at the **French Lycée in Cairo**, which allowed me to live in a **different culture** and to adapt quickly to any kind of environment.
Teamwork and communication are assets for me.
I am a very **dedicated** and **consistent** person in my projects, whatever their nature.

Experiences

Ultranoir — Front-end developer May - October 2022 — Paris, France
Development using React and its frameworks (Next.js, Gatsby), implementation and use of API.
